October 26, 1990

Dear Anne,

Thank you for your letter of October 17, 1990 in which you offer, on behalf of the Manitoba Chapter of CHLA/ABSC, to host the Association's 1992 annual conference.

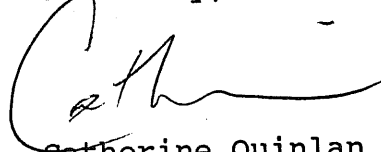

Your offer was discussed at the Fall Board meeting which was held in Kingston, Ontario this past weekend. It was unanimously agreed by the Board to accept the Chapter's invitation.

Planning a conference can be both an exhilarating - and busy! - experience. CHLA/ABSC has produced a guide to conference planning which is currently under revision and will be available shortly. Please let me know if you, or your co-chairs, would like to receive a copy. The MHLA Conference Planning Committee may also find it helpful to obtain copies of the final reports produced by other conference planning committees. Dorothy Fitzgerald, Chair of the 1991 Conference Planning Committee, has the complete report produced by the 1990 Conference Planning Committee and I am sure would be willing to forward a copy to MHLA if it would be helpful.

A report from a representative of the 1992 Conference Planning Committee will be expected at the Post Conference Board meeting in Hamilton in June. If I can provide any further information for the Chapter or its Conference Planning Committee please do not hesitate to contact me.

Please extend the Board's thanks to your Chapter for their willingness to host the 1992 conference. We are very much looking forward to what we know will be an exciting and informative time in Winnipeg.

Sincerely,

Catherine Quinlan  
President, CHLA/ABSC
